

Dritter Aufzug. Vorspiel.

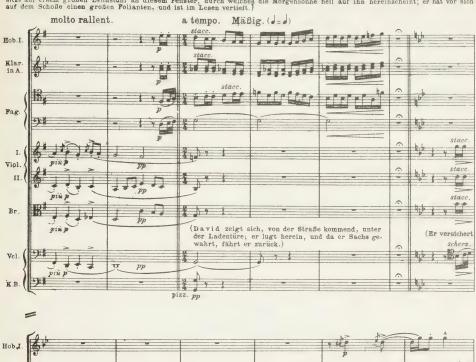

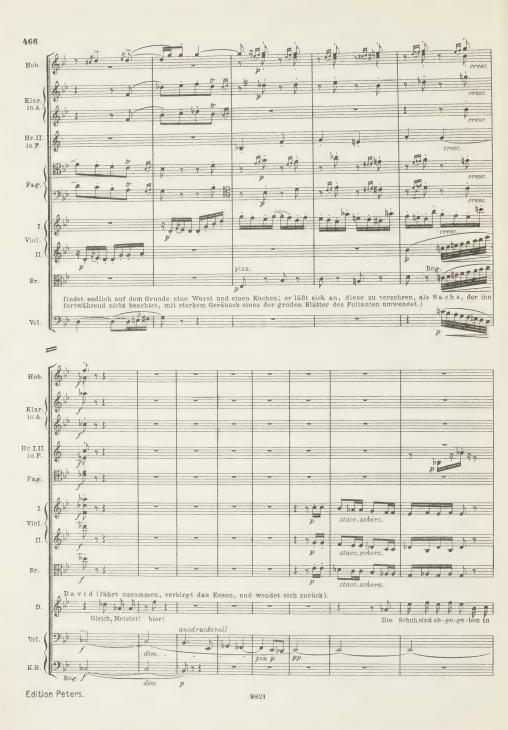

Erste Szene.

(In Sachsens Werkstatt. (Kurzer Raum.) Im Hintergrunde die halbgeöffnete Ladentür, nach der Straße führend. Rechts zur Seite eine Kammertür. Links das nach der Gasse gehende Fenster, mit Blumenstöcken davor, zur Seite ein Werktisch. Sachs sitzt auf einem großen Lehnstuhl an diesem Fenster, durch welches die Morgensonne hell auf ihn hereinscheint; er hat vor sich auf dem Schoße einen großen Folianten, und ist im Lesen vertieft.)

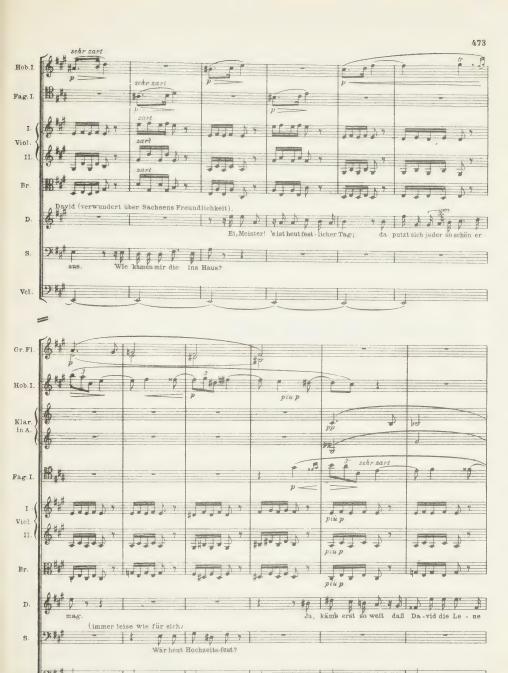

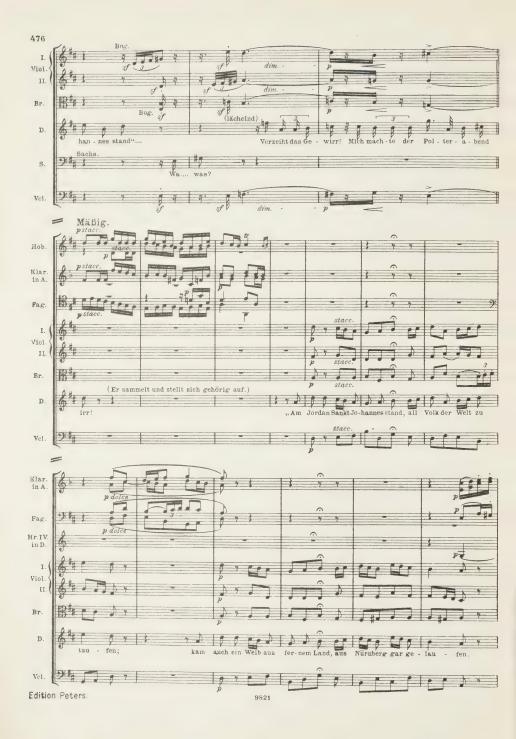

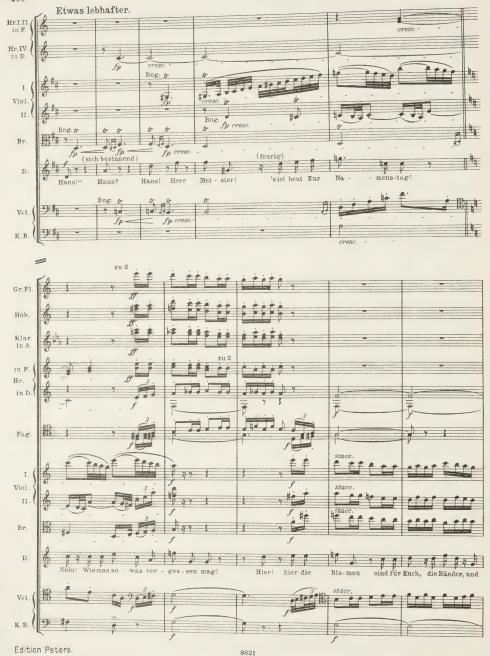

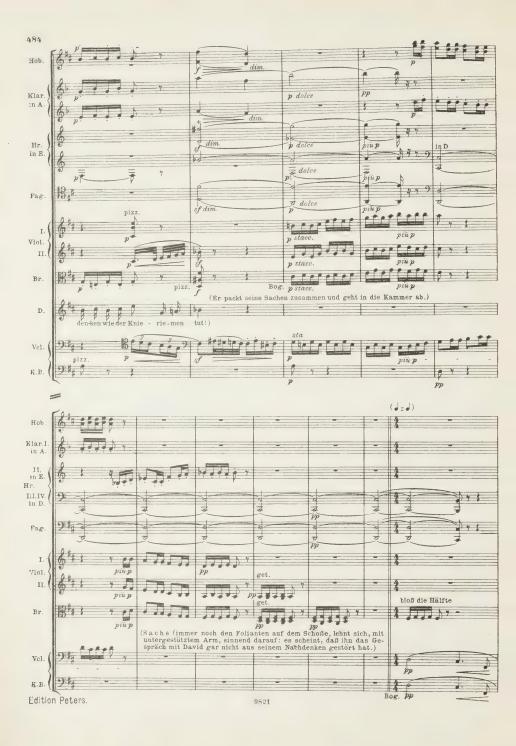

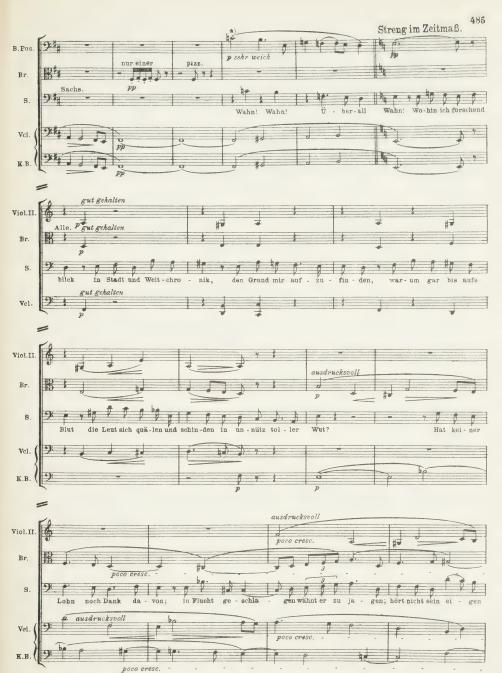

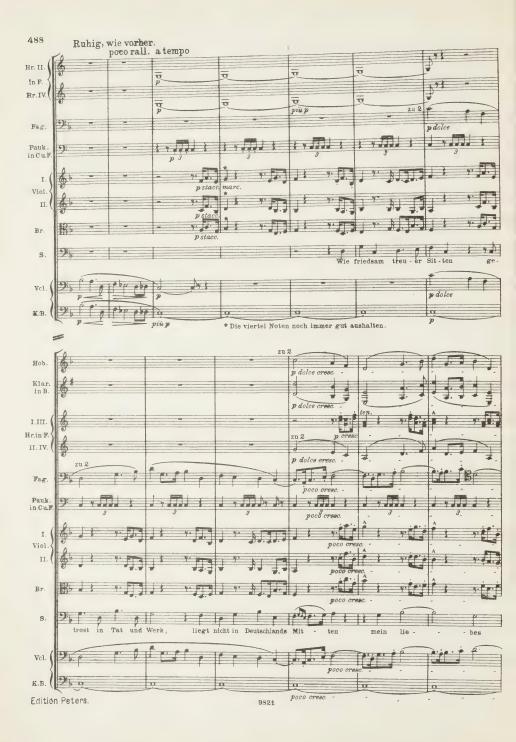

*) Wenn diese Stelle nicht von einem vorzüglichen Posaunisten sehr zart und gebunden vorgetragen werden kann, möge sie lieber von einem Hornisten geblasen werden.

*) Die beiden Fermaten müssen von besonders langer Dauer sein, um nach dem schnelleren Anschwellen ein sehr allmähliches Abnehmen ausführen zu lassen.

Fünfte Szene. (Die Vorhänge sind nach der Höhe aufgezogen worden; die Bühne ist verwandelt. Diese stellt einenfreien Wiesenplan dar, im fernen Hintergrunde die Staat Nürnberg. Die Pegnitz schlängelt sich durch den Plan, der schmale Fluß ist an den nächsten Punkten praktikabel gehalten. Bunbeflagget Kähne setzen unablässig die ankommenden, festlich gekleideten Bürger der Zünfte, mit Frauen und Kindern, an das Ufer der Festwiese über. Eine erhöhte Bühne, mit Bänken darauf, ist rechts zur Seite aufgeschlagen; bereits ist sie mit den Fahnen der ankommenden Zünfte ausgeschmückt, im Verlaufe stecken die Fahnenträger der noch ankommenden Zünfte ihre Fahnen beberfalls um die Sängerbihne auf, so daß diese schließlich nach drei Seiten hin ganz davon eingefaßt ist. — Zelte mit Getränken und Erfrischungen aller Art begrenzen im übrigen die Seitendes vorderen Hauptraumes.)

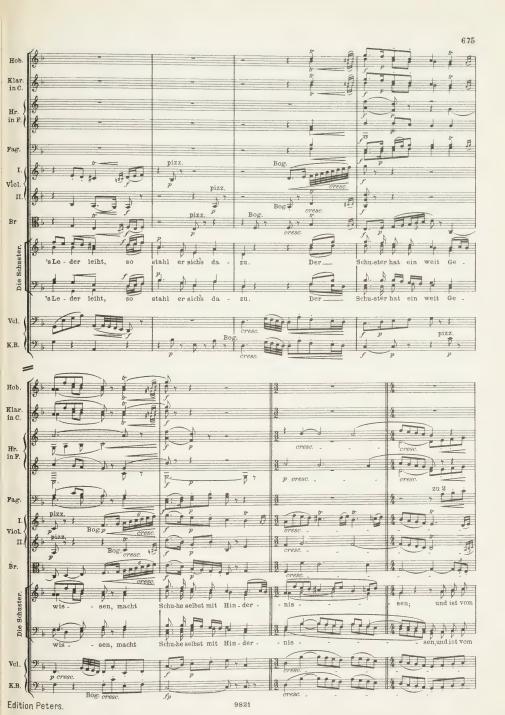

vorderen Hauptraumes.)
(Vor den Zelten geht es bereits lustig her: Bürger mit Frauen, Kindern und Gesellen, sitzen und lagern daselbst. — Die Lehrbuben der Meistersinger, festlich gekleidet, mit Blumen und Bändern reich und anmutig geschmückt, üben mit schlanken Stäben, die ebenfalls mit Blumen und Bändern geziert sind, in lustiger Weise das Amt von Herolden und Marschällen aus. Sie empfangen die am Ufer Aussteigenden, ordnen die Züge der Zünfte, und geleiten diese nach der Singerbühne, von wo aus, nachdem der Bannerträger die Fahne aufgepflanzt, die Zunftbürger und Gesellen nach Belieben sich unter den Zelten zerstreuen. — So eben, nach der Vorwandlung, werden in der angegebenen Weise die Schuster am Ufer empfangen, und nach dem Vordergrund geleitet.)

(Das Charakteristische des folgenden Tanzes, mit welchem die Lehrbuben und Mädchen zunächst nach den Vordergrund kommen, besteht darin, daß die Lehrbuben die Mädchen scheinbar nur an den Platz bringen wollen; sowie die Gesellenzugrei-fen wollen, ziehen die Ruben die Mädchen aber immer wieder zurück, als ob sie sie anderswo unterbringen wollten,wobei sie melstens den ganzen Kreis, wie wählend, ausmessen, und somit die scheinbare Absicht auszuführen anmutig und lustig verzögern.)

Mäßiges Walzer-Zeitmaß.

K1.F1.

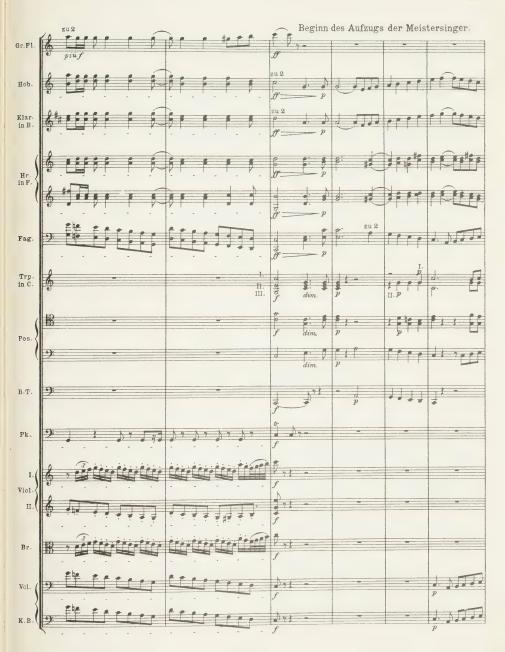

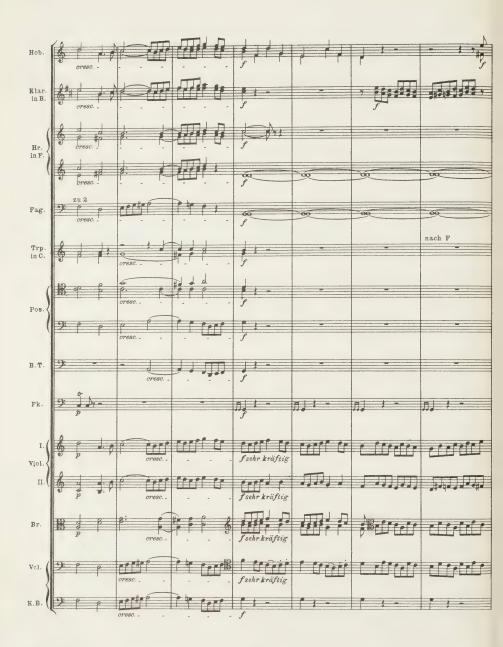

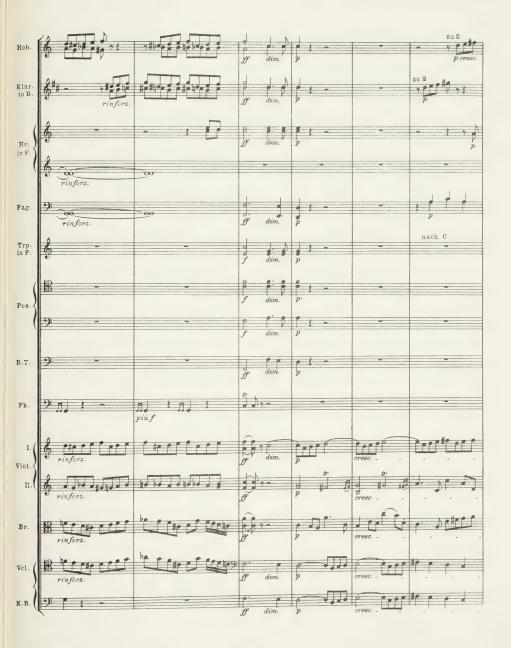

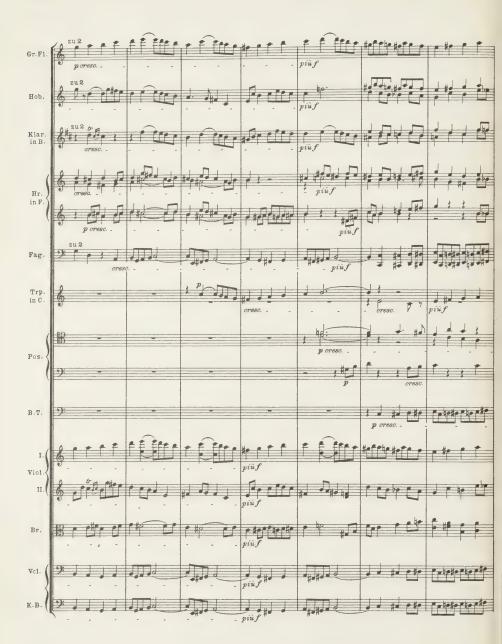

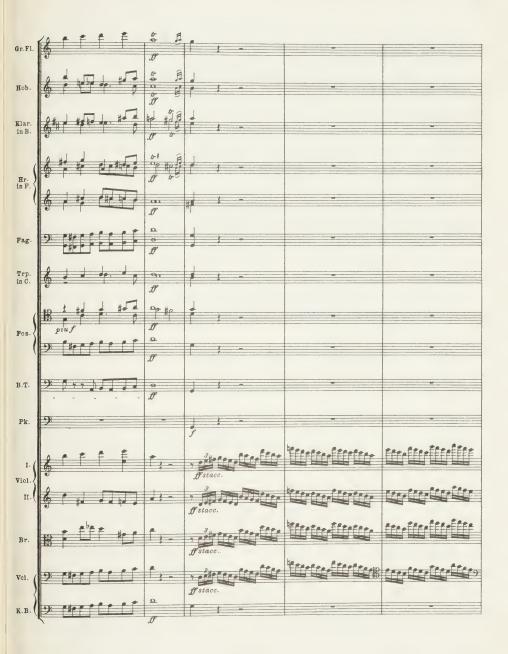

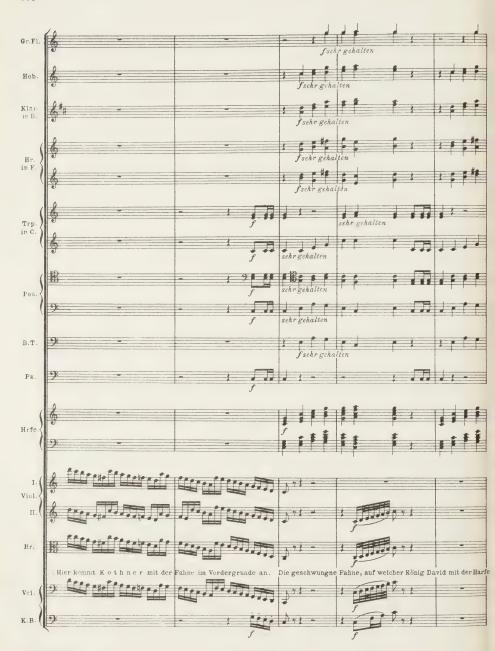

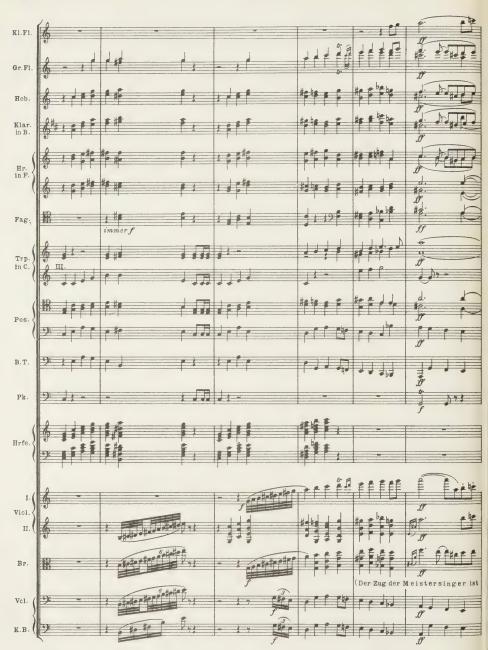

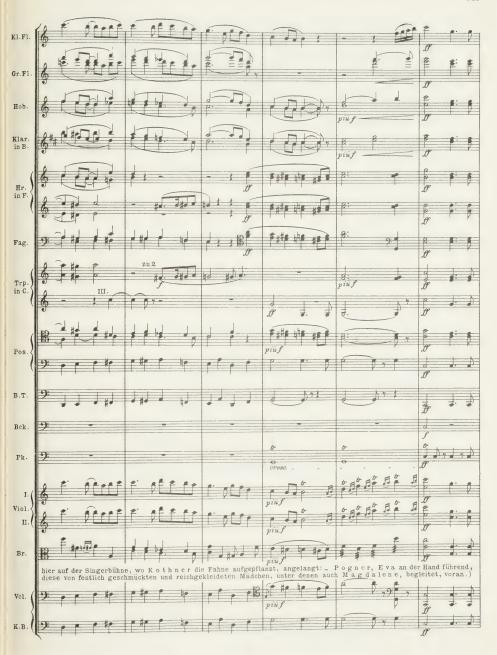

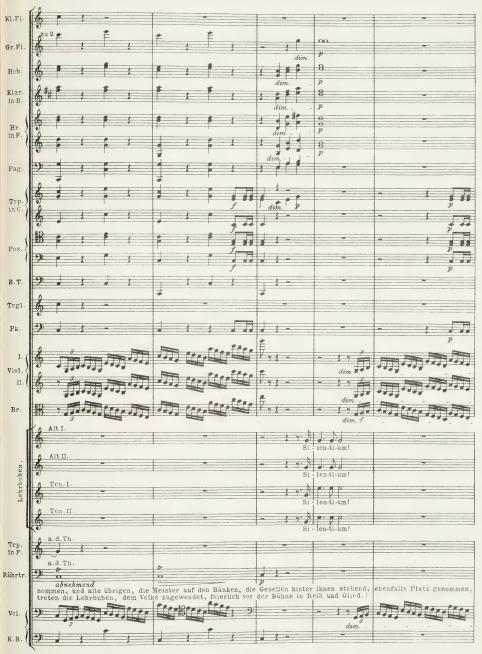

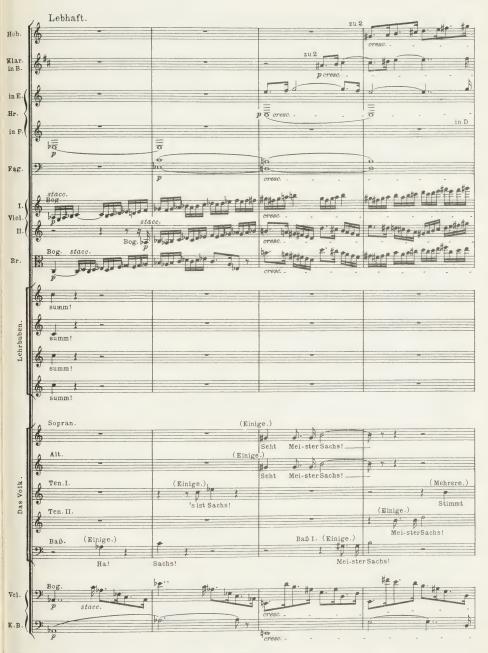

*) Außer Sachs singen alle Anwesenden diese Strophe mit: sie ist daher, je nach der Stimme, in jede Gesangspartie einzutragen.—Alle Sitzenden erheben sich, die Männer bleiben mit entblößtem Haupte. Beckmesser bleibt, mit dem Memorieren des Gedichtes beschäftigt, hinter den andern Meistern versteckt, so daß er bei dieser Gelegenheit der Beachtung des Publikums entzogen wird.

*) Von hier an singt der Chor des Volkes wieder allein; die Meister auf der Bühne sowie die andern vorigen Teilnehmer am Gesange der Strophe geben sich dem Schauspiele des Volksjubels hin.
